

Product Authenticity Policy Supplier Compliance and Indemnity

In this document the commercial name “GS Matika” corresponds to the registered name “Giannetti & Silva IT Management, Lda”. (Company Registration No. PT 514071028)

GS Matika adopts a stringent quality control policy and carries out a series of checks to verify the authenticity and standards of all products that are purchased. We therefore only purchase products from a select list of preferred suppliers. All products must comply with the condition and origin specified by GS Matika on our Purchase Orders. Only authentic, original and genuine products which are intended for sale within the EU or EEA and comply with current regulations and trademark law will be accepted.

With specific regards to Cisco/HP Networkin/Juniper products, all products must be 100% original products manufactured by Cisco/HP/Juniper. All products supplied must be intended for sale within the EU, come with full manufacturer warranty entitlement, supplied with clean EU serial numbers and be eligible for Smartnet contracts. The products must not have had any illegal upgrades or modifications made to them from the date of manufacture to the present day.

GS Matika reserves the right to reject and return for full refund and products that fail our quality control checks or that we deem to be not fit for sale.

Supplier Indemnity

We hereby confirm that we have read and understand the product authenticity policy outlined above and confirm that we agree to abide by this policy to become a preferred supplier of GS Matika. We also indemnify GS Matika against proceedings, claims, costs or losses which occur directly or indirectly from any breach of the product authenticity policy outlined above.
